# Members' Assembly 2018:

Decision taken that version 1 will be deprecated, and that the timeline for deprecation is to be agreed at the TAG 2018 event.

# Deprecation:

"A deprecated version would not be deleted but would no longer be supported or recommended."

# Current use of version 1:

- There are 16 active publishers (three of them IATI members) using Version 1 of the standard. This includes a number of large institutions.

- There a further 71 publishers using Version 1 who have not updated their data for at least a year.

# Timeline options:

- 6 months

- 1 year

- 2 years

# Thank you
