virtual community exchange
12 & 13 Oct. 2021

Register by 11 October: https://bit.ly/VCE2registration

IATI will host its second Virtual Community Exchange (VCE 2) on 12 and 13 October 2021, an interactive and informal opportunity focusing on engaging with the wider IATI, open data and transparency communities and providing opportunities for shared learning based on practical experiences in engaging with IATI data.

Join IATI's VCE 2 to help us consider IATI's progress vis-à-vis the current state of transparency and open data in the era of the Sustainable Development Goals and COVID-19. During the event, you will hear about recent and upcoming IATI activities and how you can participate, be inspired during sessions led by other members of the IATI community and engage with peers in the open data and transparency space.

The Virtual Community Exchange 2 is open to anyone with an interest in IATI or transparency and open data more generally. Participation is expected from a broad range of stakeholders, including from governments, civil society, the private sector, academia and others, from across the globe.

5 things you can do to prepare for VCE 2:

Register to participate by 11 October at: https://bit.ly/VCE2registration. Registered participants will receive updates on the event directly to their e-mail.

Check out what to expect using our interactive agenda and see who's attending!

Log in to Sched to bookmark sessions you plan to attend, view your schedule and leave feedback.

Stay connected: create an account on our community platform, IATI Connect, and start engaging with other participants and members of the IATI community!

Spread the word by sharing the event within your networks. Connect with us on Twitter (@IATI_aid) and use the hashtag #iatiVCE2.

For more information on IATI's first Virtual Community Exchange, head over to our community platform IATI Connect or e-mail the IATI Secretariat at info@iatistandard.org.
